**Regional Water Resource Agency**  
**Owensboro, KY**  
**Wastewater Plant Operator - Position Announcement**

Regional Water Resource Agency (RWRA), a municipal wastewater utility located in Owensboro, KY, is accepting applications from safety-conscious individuals for the position of **Treatment Plant Operator**. Primary responsibilities include: safe and efficient operation of the wastewater plants (to include remote operation of the wastewater plants and pump stations using SCADA), as well as process control lab testing on samples, ensuring permit compliance, operator maintenance of equipment, and preventive maintenance in a wastewater treatment plant.

Minimum job requirements include being at least 18 years of age, a high school diploma or GED, and a valid driver's license. One to two years related work experience and/or training in a wastewater or related field is required. Intermediate computer skills using Microsoft Office, Internet, and Email are required. Kentucky Class I Wastewater Operators license, followed by Class II and III licenses, are required to be obtained as soon as Kentucky Division of Compliance Assistance allows testing for each of them, if do not possess prior to employment.

The shift assignment for this position will be a swing shift, possibly 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> shift, working 10 hours per shift. There are no guaranteed shifts per week, only that the person will be scheduled for 40 hours per week, usually with at least one week's notice. This position will work on weekends and holidays as needed.

Full-time benefits consist of medical, dental, and vision insurance, life insurance, paid vacation and sick time, and retirement.

Applications are being accepted to fill a current, full-time (40 hours per week) vacancy. The minimum pay rate is \$16.14/hour. The Application Packet (which includes the job application, job description, and application procedures) may be obtained at the Career Center (7:30am-5:00pm Mon-Tues, 7:30am-4:30pm Wed-Fri) or printed at [www.rwra.org](http://www.rwra.org). Current WorkKeys test results must be included with the Application Packet. **Completed Application Packets are to be returned to the Career Center, 121 East Second Street, no later than Friday, February 8, 2013 at 4:30pm.** EOE, Drug-Free Workplace

*This position will remain posted until February 8, 2013.*

**Regional Water Resource Agency**  
**Owensboro, KY**  
**Director of Operations - Position Announcement**

The Regional Water Resource Agency (RWRA), a municipal wastewater utility located in Owensboro, KY, is accepting resumes for the **Director of Operations** position. This position is primarily responsible for the supervision of day-to-day activities of the Operations Department, to include the Field, Plant, Contractual Services, and Maintenance Divisions, which includes fifty-plus employees, as well as the direct supervision of the Operations Administration Staff. This position is responsible for the preparation and oversight of the budgets of these divisions, as well as the overall safety of each. Other responsibilities include ensuring environmental regulatory compliance and providing data to regulatory authorities, customer service functions of the Operations Department, investigating new technologies in wastewater processes, preparing specifications for procurement, fleet maintenance inventory and preventative maintenance work orders, and development and implementation of operations manuals.

This full-time, exempt position requires an Associate's Degree or equivalent post-secondary education in a management, construction, or engineering related field and a minimum of four years of management experience, or a combination of education and experience. Environmental operation, regulatory compliance, along with an understanding of wastewater treatment plant operation and underground pipe installation and/or maintenance is preferred. Ability to proficiently use various computer applications, such as Microsoft Office, Internet and Email is required. Class IV Wastewater Operator and Collection System licenses are highly preferred, or at least to be obtained within the first 5 years of employment. A valid driver's license prior to employment is required.

Full-time benefits consist of medical, dental, and vision insurance, life insurance, short-term and long-term disability, paid holiday, vacation, and sick time, as well as retirement through the Kentucky Retirement System.

To be considered for this position, submit your resume and cover letter, along with a copy of your license(s), and transcripts if available, to [jobs@rwra.org](mailto:jobs@rwra.org) or mail to Regional Water Resource Agency, Attn: Human Resources, 1722 Pleasant Valley Road, Owensboro, KY 42303. The Job Description, as well as Job Procedures, can be obtained at [www.rwra.org](http://www.rwra.org) for further information. Resumes, as well as licenses and transcripts, must be submitted by no later than **Friday, February 8, 2013**. EOE, Drug-Free Workplace

*This position will remain posted until February 8, 2013.*
